Dear Parent or Carer

I am very pleased that your child has been allocated a place at Devonport High School for Boys and I would like to extend a very warm welcome both to him and to you.

Due to Covid-19 restrictions this year we have a remote transition programme in place instead of primary school visits. All future correspondence will be in electronic form and you can expect to hear from Miss Walker (Transition Coordinator) on Friday 5 March 2021. Please check your emails regularly and be mindful that it's possible that correspondence could go into your spam/junk folder, particularly if you have a Hotmail account. The email address we will use is the one which was provided on your child's 11+ registration form.

If we are able to offer a face to face familiarisation event on the school site, this will take place in the second half of the summer term and we will let you and your child's primary school know the details and arrangements for this.

To support all students through transition as best as we possibly can please email our SENCo, Mrs Jo Weaver, as soon as possible, if your child has any special educational needs that we should be aware of. Mrs Weaver's email address is jo.weaver@dhsb.org. If you have any other significant concerns please contact Miss Walker using the email address melanie.walker@dhsb.org.

Please take some time to look at our website www.dhsb.org which has a section for new students on the Admissions menu. Here you will find helpful information and access to all information that will be sent out during the transition period. This webpage will be updated regularly.

Enclosed with this letter is our school registration form. Please complete and return this by post to my PA, Sarah Nicholson, by Monday 15 March 2021. You may contact her at sarah.nicholson@dhsb.org if you have any other questions. Also enclosed is a letter about our Chromebooks for Learning scheme. This is for information only at this stage and you will receive an update in June 2021.

Finally, please continue to read my Head's Blog which is updated each Friday to enable parents and friends to share our school news and celebrations. Please also follow us on Twitter @dhsboys to receive all the latest news and updates.

Yours sincerely

Dan Roberts
Headteacher

Document	Please return by
Student information form	Monday 15 March 2021
Chromebooks for Learning letter	Further information will follow in June 2021
